What to do when you find a citation without full text
 Select **Check the Journal Title Search** to see if the Library provides access in some other format or database. With access to 31,000+ titles in over 100 databases, your article may be available in full text from another source. If items are not available, you can click on [request items from Interlibrary Loan](#).

When printing PDFs, use the control bar for Acrobat, not the Internet browser.

Click here to print, rather than using the File, Print menu option.
