

IWU Library CPI Database Guide

The Christian Periodical Index is produced by the Association of Christian Librarians. CPI currently indexes over 100 selected publications from the broad spectrum of knowledge including religion, theology, science, literature, medicine, music, philosophy, history, sociology, nursing, and education.

CPI has limited access to full text at this time.

Click **Advanced Search** to set search limiters such as Journal Name, Date Published, Journal or Document.

Notes: This title is held locally

What to do when you find a citation without full text

Select  **Check the Journal Title Search** to see if the Library provides access in some other format or database. With access to 31,000+ titles in over 100 databases, your article may be available in full text from another source. If items are not available, you can click on  to request items from Interlibrary Loan.

When printing PDFs, use the control bar for Acrobat, not the Internet browser.

Click here to print, rather than using the File, Print menu option.
