

IWU Library ProQuest Database Guide

ProQuest contains databases for: Education Journals, Newspapers, Dissertations and Nursing Journals. To choose a database make a selection from the databases drop-down menu.

ProQuest

Basic Advanced Topics Publications My Research 0 marked items

Mainstreaming and Special Education Search

Database: Education - Education Journals

Date range: All dates

Limit results to: Full text documents only
 Scholarly journals, including peer-reviewed

To expand or narrow your search, use **AND**, **OR**, or **NOT**.

Limit the results to Scholarly journals.

An **asterisk (*)** stands for one character
 A **question mark (?)** substitutes for word endings.

After a search, use the **Suggested Topics** to help refine your search. The subject searches on the left may yield fewer results.

After the search, mark the checkboxes to build your bibliography. Click **My Research** to view marked items.

My Research
2 marked items

The "My Research Summary" area contains marked records. This allows grouped citation printing, downloading or emailing.

Print, e-mail, and other retrieval options

Print - Reformats for printing from the browser. To return press back button.

E-Mail enter your email address with a subject and click **Send Email**.

Export citations allows you to choose citation formats and more.

Create webpages creates a web page of your marked items.

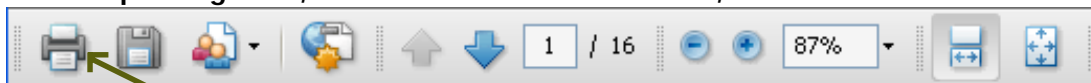

If you want to edit your search, see the options at bottom of the results page.

What to do when you find a citation without full text

Check the **Journal Title Journals** to see if the Library provides access in some other format or database. With access to 31,000+ titles in over 100 databases, your article may be available in full text from another source.

For further help with ProQuest ask an IWU Librarian.

When printing PDFs, use the control bar for Acrobat, not the Internet browser.

Click here to print, rather than using the File, Print menu option.
